

# Teacher Stipend Program

## Who it's for

You are a high school teacher and you can bring students to a live Competition Event OR supervise a Competition Campaign at your school during the school year (OR both). Open to U.S. educators only. Expect 10-20 hours across the year — it's built to fit around teaching, not sit on top of it.

## What you can earn

| What you do                      | Detail                                                      | You earn |
|----------------------------------|-------------------------------------------------------------|----------|
| Onboarding                       | Orientation, agreement, W-9, baseline survey, one-page plan | \$50     |
| Bring a team to a Live Challenge | At least 5 students plus you (6 attendees minimum) attend   | \$200    |
| Run a Campaign at your school    | In class or as a club, at least 8 students are registered   | \$200    |
| Close out                        | Complete and submit surveys and reflections                 | \$50     |

## What else you get

- **10-20 documented PD contact hours** — a written statement of hours and standards covered. May count toward CTE or recertification, subject to your district's approval.
- **Free Catalyst membership for the program year** — a \$149 value.
- **Bragging Rights** — a certificate and shareable digital badge for LinkedIn, plus a letter of recommendation on request.
- **Private LinkedIn Group** — other teachers running the same material — and public recognition on our site and at events.

## How it works

1. **Apply and onboard.** Orientation, participation agreement, W-9, and a one-page plan for your year.
2. **Do the work.** A team joins a Competition – either by you bringing students to a live Challenge, or you support them via a Campaign at your school. We supply curriculum, lesson plans, and judging guides.
3. **Close out.** A short survey and reflection from you, and from your students.
4. **Get paid.** Checks posted 31 May i.e. end of the school year

**Applications for calendar 2027 are open now.** restricted to 15 places. Register at [www.stellrededucation.org/stipend](http://www.stellrededucation.org/stipend) or reach us at [hello@stellrededucation.org](mailto:hello@stellrededucation.org) with any questions.
